

## **POSTDOCTORAL CERTIFICATE IN GENERAL DENTISTRY (GPR-SECOND OPTIONAL YEAR PROGRAM)**

The University of Puerto Rico, School of Dental Medicine offers, to interested first year residents, the opportunity to continue studies leading to a General Practice Residency Program Certificate – Second Year. This second year has been designed to provide the residents with the opportunity to design his/her clinical sessions and acquire experience in areas of their own interest. In addition, didactic and clinical courses are offered to confer a level of proficiency in those skills acquired during their previous years of studies.

Didactic and clinical experiences are also provided in practice administration, research, and teaching. Students are required to write a research proposal before graduation and to assume supervisory responsibilities with senior students and first year G.P.R. residents. The academic year will consist of 52 weeks (July 1<sup>st</sup> to June 30<sup>th</sup>).

### **Admission Requirements**

All candidates to the Advanced Education Programs must hold a Post Doctoral Certificate in General Dentistry granted by an accredited institution.

### **Graduation Requirements**

Residents must satisfactorily pass all required courses and have a minimum grade point average of 3.00, as certified by the Registrar's Office.
